

A vibrant Disney movie poster for Peter Pan. The background is a deep blue sky with stars and a large, glowing green leaf. In the center, a large, close-up face of Peter Pan with his characteristic golden hair and wide eyes looks towards the viewer. To the left, a young boy (Peter Pan) is shown flying through the air. Below him, a small boat with several characters is on the water. To the right, a girl in a white dress (Wendy) is flying. In the bottom right, a character in a top hat (Hook) is on a small boat. The overall scene is magical and adventurous.
